Green Christian: last year the PCC discussed support of the campaign for the Climate and Nature Bill. There is a new 'ask' in this campaign to sign an open letter to Keir Starmer asking for more parliamentary time to debate it. Let's call for real change for the UK in lower energy bills, warmer homes, thriving eco-systems, better public transport, and clean rivers and air. Find out more and sign the letter here - action.zerohour.uk
